GEOCACHING, HOW DOES IT WORK ?

1. Download the Geocaching application or go to geocaching.com.

DURATION

½ day

2. Create a free account.

3. Select the geocache you want to discover and go geocaching.com/play/geotours/explore-sion-switzerland

WHAT DO YOU NEED ?

The application and a pencil for the logbook

4. Once the cache has been found, sign in the logbook, puncture your passport and put the geocache back in place exactly as you found it.

WHEN ?

Always available

5. Log the cache you just found on your application.

6. Invite a friend and find another geocache !
